

PSST: Please input the summarized Priority Standard, Skill, or Topic, as the more detailed PSST will be part of score 3.

Content: Please indicate the learning progressions for the PSST as related to each score.

Activities: Please provide examples of activities that will supplement/enrich the learning experiences, encourage new interests, and help students relate the learning to real world experiences. These activities should be considered a method of instruction and should be designed to help students accomplish specific learning outcomes.

Evidence (A&E): Assessments (obtrusive, unobtrusive, student-generated), which are activities that provide feedback, and give a clear picture of student progress on learning goals.
